MSc Student in Business and economics

PROFILE

As a student pursuing a Master's degree in Business and Economics, specializing in Business Administration, I am developing a strong foundation in management and related disciplines. My international experience through the Erasmus program makes me open-minded and adaptable in different environments.

I am particularly interested in areas such as strategy, project management, and organizational development, and I am looking to apply my knowledge into practical challenges. Committed to continuous learning and teamwork, I contribute to creative problem-solving for long-term organizational success.
